Subject : (Change Order No. 5
Task Order No. 8
Contract No. RD-103)

Gentlemen:

The subject task order expired as of 31 October 1959.

As submitted in your letter of 16 December 1959, the work contemplated could not be completed by this date because more time was required for additional testing with the data collection device before sealing of the communication package and power converter packages.

In consideration of the foregoing, the subject task order is hereby extended to and including 31 January 1960.

The total estimated cost of the subject task order is not affected by this extension of time.

Very truly yours,
